

Springwell Child Care

Outdoor Activities Policy

Opportunities are provided for each individual child to participate in a variety of outdoor activities, enabling them to explore their environment and undertake further physical activities.

Health and safety procedures will be followed when undergoing outside activities. Any play areas will be checked for suitability and that the equipment is in good working order. Road safety will be promoted and followed.

A Risk Assessment report will be carried out before children are taken to any new places of interest.

Children will not be left unattended during outdoor activities.

Children's contact information will be taken in the car for emergency purposes.

Indoor/Outdoor active play is encouraged daily. Parents will be asked to provide appropriate clothing and sunscreen.
